

Thank you for contacting Howard RV Center about Service on your RV.

## NC-DMV SAFETY INSPECTION:

North Carolina Department of Motor Vehicles requires that every vehicle registered, in this state, Must be Inspected Annually by a NC Certified & Designated Inspection Station, before you are able to renew your registration. Howard RV Center is designated to do "Safety Only Inspections" on Vehicles, and we cannot do any type of required emissions testing. Emission testing is not currently required on vehicles that have a GVWR (*Gross Vehicle Weight Rating*) of 8,500 lbs. or more.

### WHAT IS REQUIRED TO PASS THE NC-DMV SAFETY INSPECTION?

1. We will need your Current State Tag Registration Certificate
2. **ALL Lights Must Work Correctly**; Clearance Lights, Turn Signals, Brake Lights, & Center Brake Light (*If one Light is out, it must be repaired or the vehicle will **FAIL** the inspection*).
3. Both head-lights must work on high & low beam and must be aimed correctly.
4. Side-view mirrors must be in good condition and visible from driver's seat.
5. Windshield and cab area side windows must have good visibility (No Dark Tint).
6. Windshield wipers and wiper blades in good working condition, blades cannot be cracked or torn. (*a Cracked Windshield cannot impede wipers*).
7. Tires must have minimum of 2/32 tread and show no signs of Damage or Dry-Rot on the Side Walls.
8. Horn must blow.
9. Test Brakes & Parking Brake.
10. Exhaust System in Good Condition and No exhaust leaks.

**The Cost for NC Inspection is \$12.75 + \$.85 for the inspection Certificate = \$13.60**
